STANDARD ACCESS AGREEMENT

I, William Helwig, either as legal owner of or as representative/lessee of a parcel of real property with authority to permit access, hereby consent to and permit the U. S. Environment Protection Agency employees or agents to access, enter upon a parcel of property commonly referred to as S400 Janes, Downers Grove, Illinois and perform certain activities at that real property:

I understand that this consent does not limit EPA's right of access under the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §§ 9601-9675, or any other law.

Purpose of Access

Pursuant to Section 104(e) of CERCLA, 42 U.S.C. § 9604(e), and consistent with the National Oil and Hazardous Substances Pollution Contingency Plan, 40 C.F.R. Part 300, EPA has requested that I allow EPA and its employees and representatives access to the Property for the purposes of investigating and/or responding to a potential release of hazardous substances, pollutants and/or contaminants.

Environmental Response Action to be Taken

I have been informed that the planned environmental response actions to be taken may, but do not necessarily, include:

- Securing the property and containing hazardous materials present on the property;
- Conducting sampling and investigatory activity on the property;
- Consolidating, stockpiling, handling, studying, treating, and disposing of hazardous materials;
- Performing other actions to investigate contamination on the property that U.S. EPA may determine to be necessary; and;
- Taking any response action to address any release or threatened release of a hazardous substance, pollutant or contaminant which U.S. EPA determines may pose an imminent and substantial endangerment to the public health or the environment.

Term

This consent terminates when I receive written notice, addressed to me at
City of _____, State of _____, Zip Code _____
from EPA indicating that all response actions to be taken at the Property have been completed. The activities to be undertaken are subject to the availability of funds.

Agreement Not to Interfere

I agree not to interfere with any of the activities undertaken by EPA at the property, tamper with any of EPA's property located on it, or take any actions regarding the use of the property which may endanger human health or welfare or the environment, or allow others to use the property in such a manner during the term of this Consent.
